**RESOLUTION 2014-527**

---

**Retain First Coastal for Consulting Services Related to  
Downtown Montauk Beach & Dune Restoration Project**

WHEREAS, downtown Montauk suffered severe erosion due to Super Storm Sandy and remains vulnerable and at risk, both physically and financially; and

WHEREAS, preventing the loss of businesses, tourism, recreational and natural resources is paramount to the economic survival of downtown Montauk and the Town of East Hampton; and

WHEREAS, the U.S. Army Corps of Engineers has previously presented the Town of East Hampton with potential options for rebuilding and protecting the ocean beaches of Montauk; and

WHEREAS, the Town of East Hampton is working with Suffolk County, the NYS Department of Environmental Conservation and the United States Army Corps of Engineers to ensure that the Downtown Montauk Stabilization Project proceeds in a timely fashion; and

WHEREAS, First Coastal proposed providing consulting services to the Town of East Hampton to review and enhance the benefit calculations for the Downtown Montauk Beach Stabilization Project, including flood protection, erosion protection, post Sandy mitigation and natural resource protection; and

WHEREAS, First Coastal shall review and evaluate reasonable calculations for the proposed restoration projects including geotextile tube technology and soft structure shoreline protection systems; and now therefore be it
