## STOP THROWING OUT POLLUTANTS

The East Hampton Town Recycling Center and the Montauk Transfer Station have one designated day per year on which residents are permitted to dispose of hazardous household materials. Public announcements are made well in advance of each event through The East Hampton Star, The Independent, WBEA 104.7 FM, WEHM 96.7 FM, WLNG 1600 AM, and on the East Hampton Town website. Event flyers are also available at the facilities.

**S.T.O.P. Days are not available to commercial businesses. For information on the disposal of commercial hazardous waste, contact the regional New York State Department of Environmental Conservation at (631) 444-0375.**
