WORK SESSION:

REGULAR MEETING:

By motions made, seconded, the following resolution was approved by the Board:

PLANNING BOARD OF THE TOWN OF EAST HAMPTON
EAST HAMPTON, NEW YORK

In the Matter of the Application

of

**MONROE/OSBORNE
MINOR SUBDIVISION
SCTM# 300-93-2-7.2**

**RESOLUTION
AMENDING
APPROVAL**

ADOPTED: 8 / 23 / 2023

The Planning Board has reviewed a prior determination of the Board and desires to modify certain provisions of the approval as set forth below. Except as modified herein, the determination is reaffirmed in all respects.

REQUEST TO MODIFY: Resolution adopted pursuant § 220 (Subdivision of Land) of the East Hampton Town Code on July 10, 1974 granting a subdivision and allowing an existing driveway to remain, which was amended in January 14, 1976 to require a common access.

PROPERTY LOCATION: 116 Three Mile Harbor Hog Creek Highway, Springs

PROPOSED AMENDMENT: Modifying the approvals to allow the originally approved (1974) existing driveway to remain.

MODIFICATION AS APPROVED: The approved map is modified to reflect the date in the “approved plans as modified” below.

REASONS SUPPORTING MODIFICATION: The modification is granted in recognition of the change in circumstances related to Town standards for allowable driveway grade. The allowable maximum grade of driveways at the time of the original subdivision approval was up to 15%. The present day standard maximum grade is 12%. The January 16, 1976 common driveway does not meet current code requirements whereas the 1974 original driveway does meet current code requirements. Approval is granted to allow the original driveway to remain.

APPROVED PLAN AS MODIFIED: Survey prints prepared by Steven Barylski, L.S. dated last revised June 27, 2023; received 06/28/23.

CONDITIONS TO MODIFICATION:

- The applicant shall submit a final survey showing the abandonment of the common access driveway to the Planning Board prior to an updated CO being issued for the property.
