**December 30, 2021**

## **EAST HAMPTON TOWN CONTINUES TO OFFER COVID-19 VACCINATIONS; CLINIC DATES ADDED FOR FEBRUARY 2022**

*Clinics will offer first, second, or third doses and booster shots of the Pfizer, Moderna, and Johnson & Johnson vaccines for eligible adults (no pediatric doses)*

As the highly transmissible COVID-19 Omicron variant continues to surge across the region residents are urged to get vaccinated and to get a booster shot if they have already received their initial vaccine doses.

East Hampton Town has partnered with Apex Mobile to offer vaccination clinics at East Hampton Town Hall. More than 1,000 vaccines have been administered at these clinics so far.

Five more dates have been added to the schedule for the month of February, offering both daytime and evening appointments. **The dates are February 1<sup>st</sup>, 7<sup>th</sup>, 10<sup>th</sup>, 16<sup>th</sup>, and 22<sup>nd</sup>.**

The CDC has strongly recommended booster shots for everyone age 18 and older who has been previously vaccinated, as the protection offered by the initial dose or doses of the vaccine drops significantly over time.

**To book an appointment:** <https://COVID19VaccinesTOEH.as.me/>

**For questions on eligibility:** <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/specific-groups.html>

There is no cost for the vaccine. Please take your identification as well as your insurance card and proof of vaccination, if applicable, to your appointment.
