

TOWN OF EAST HAMPTON SENIOR TRANSPORTATION PROGRAM

Transportation Service is available to senior citizens with no access to other means of transportation, and people under the age of 60 who are disabled and have no access to other means of transportation for essential services.

- Reservations must be made at least 72 hours in advance.
- Service is available door to door.
- Services are provided for scheduled appointments that are not emergencies.
- There is no fee and tips are not accepted.

Transportation is provided for Essential Services.

Transportation is provided to the East Hampton and Montauk Senior Nutrition Programs.

- Proof of residency and age may be required.
- The Americans with Disabilities Act allows personal attendants to accompany eligible clients in need of Transportation Services. Personal care attendants must have the same origin and destination as the client receiving transportation services.
- Anyone under sixty (60) years of age will be evaluated by a Human Services Case Manager to determine eligibility for services.
