Ashawagh Hall is located at 780 Springs Fireplace Road
All are welcome at any of the meetings

The charrette will be an intensive multi-day planning and design exercise leading to a vision for the future of Springs Hamlet. It's part of a larger town-wide study focused on the commercial areas within East Hampton's six hamlets. We need your input to better understand how homes, businesses, recreation, and community work today, and how they can function better in the future. You are welcome to attend all or any of the events listed above.
