Such share shall be determined by multiplying the total unpaid principal of the mortgage by a fraction, the numerator of which shall be the number of shares of stock being conveyed in the cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold and the denominator of which shall be the total number of shares of stock in the cooperative housing corporation.

Article II Supplemental Real Estate Transfer Tax

§ 162-2-1. Regulations.

The Town Board shall have power, by resolution and after a public hearing held on not less than five days' notice, to adopt and implement regulations pertaining to the collection and administration of funds for affordable housing programs, provided such regulations are consistent with the provisions of New York State Tax Law Article 31-D, as the same may be amended from time to time.

§ 162-1-2. through § 162-1-9. (Reserved)

§ 162 -1-10. Imposition of supplemental real estate transfer tax.

There is hereby imposed in the Town of East Hampton a supplemental tax on each conveyance of real property or interest therein where the consideration exceeds \$500, as authorized by Article 31-D of the New York Tax Law, the rate of such tax to be 0.5% of the consideration for the conveyance. Revenues from such tax shall be deposited in the Affordable Housing Fund established pursuant to Article I of this chapter and may be used solely for the purposes of said fund. Such tax shall apply to any conveyance occurring on or after the adoption of this Chapter, but shall not apply to conveyances made on or after such date pursuant to binding written contracts entered into prior to such date, provided that the date of execution of such contract is confirmed by independent evidence such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the County Comptroller.

§ 162-2-11. through § 162-2-14. (Reserved)

§ 162-2-15. Payment of tax.

A. The supplemental real estate transfer tax imposed pursuant to this article shall be paid to the Comptroller, or to the recording officer acting as the agent of the Comptroller upon designation as such agent by the Comptroller. Such tax shall be paid at the same time as the real estate transfer tax imposed by Article 31 of the New York Tax Law is required to be paid. Such Comptroller or recording officer shall endorse upon each deed or instrument effecting a conveyance a receipt for the amount of the tax so paid. In no event shall the Town Tax Receiver have any responsibility to collect such funds on behalf of the Town.

B. A return shall be required to be filed with such Comptroller or recording officer for purposes of the Supplemental real estate transfer the tax imposed pursuant to Town Law 64-K of the Town Law of the State of New York, as determined by the County Comptroller, at the same time as a return is required to be filed for purposes of the real estate transfer tax imposed by Article 31 of the Tax Law. The Comptroller shall prescribe the form of return, the information that it shall contain and the documentation that shall accompany the return. Said form shall be identical to the real estate transfer tax return required to be filed pursuant to § 1409 of the Tax Law, except that the Comptroller shall adapt said form to reflect the provisions of this article which are inconsistent with, different from or in addition to the provisions of Article 31 of the Tax Law. The real estate transfer tax returns required to be filed pursuant to this section are required to be preserved for three years and thereafter until such Comptroller or recording officer orders them to be destroyed.

§ 162-2-16. through § 162-2-19. (Reserved)

§ 162-2-20. Liability for tax.

A. The supplemental real estate transfer tax required hereunder shall be paid by the grantee. If the grantee has failed to pay the tax imposed pursuant to this article, or if the grantee is exempt from such tax, the grantor shall have the duty to pay the tax. Where the grantor has the duty to pay the tax because the grantee has failed to pay, such tax shall be the joint and several liability of the grantee and grantor.

B. For the purpose of the proper administration of this article and to prevent evasion of the tax hereby authorized, it shall be presumed that all conveyances are taxable. Where the consideration includes property other than money, it shall be presumed that the consideration is the fair market value of the real property or interest therein. These presumptions shall prevail until the contrary is proven, and the burden of proving the contrary shall be on the person liable for payment of the tax.

§ 162-2-21. through § 162-2-24. (Reserved)

(7) Conveyances which consist of a deed of partition.

(8) Conveyances given pursuant to the Federal Bankruptcy Act.

(9) Conveyances of real property which consist of the execution of a contract to sell real property without the use or occupancy of such property or the granting of an option to purchase real property without the use or occupancy of such property.

(10) Conveyances of real property, where the entire parcel of real property to be conveyed is the subject of one or more of the following development restrictions:

(a) An agricultural, conservation, scenic or other open space easement which entirely prohibits the development of the property or which restricts its use solely to agriculture.

(b) Recorded covenants or restrictions which prohibit the development of the property.

(c) A purchase of development rights agreement.

(d) A transfer of development rights agreement, where the property being conveyed has had its development rights removed.

§ 162-2-26. through § 162-2-29. (Reserved)

§ 162-2-30. Additional exemptions.

A. There shall be allowed an exemption of \$400,000 on the consideration of the conveyance of improved real property or an interest therein.

B. There shall be allowed an exemption of \$100,000 on the consideration of the conveyance of unimproved real property or an interest therein.

C. The exemptions provided in A and B above shall only apply to conveyances of residential property where the consideration is two million dollars (\$2,000,000.00) or less.

§ 162-2-31. through § 162-2-34. (Reserved)

§ 162-2-35. Credit for prior tax paid on creation of leasehold or grant of option or contract to purchase.

A grantor shall be allowed a credit against the tax due on a conveyance of real property to the extent that tax was paid by such grantor on a prior creation of a leasehold of all or a portion of the same real property or on the granting of an option or contract to purchase all or a portion of

the same real property by such grantor. Such credit shall be computed by multiplying the tax paid on the creation of the leasehold or on the granting of the option or contract by a fraction, the numerator of which is the value of the consideration used to compute such tax paid which is not yet due to such grantor on the date of the subsequent conveyance (and which such grantor will not be entitled to receive after such date) and the denominator of which is the total value of the consideration used to compute such tax paid.

§ 162-2-36. through § 162-2-39. (Reserved)

§ 162-2-40. Cooperative housing corporation transfers.

A. Notwithstanding the definition of "controlling interest" contained in § 162-1-10 hereof or anything to the contrary found in the definition of "conveyance" contained in said section, the tax imposed pursuant to this article shall apply to the following:

(1) The original conveyance of shares of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold by the cooperative corporation or cooperative plan sponsor.

(2) The subsequent conveyance of such stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold by the owner thereof. With respect to any such subsequent conveyance where the property is an individual residential unit, the consideration for the interest conveyed shall exclude the value of any liens on certificates of stock or other evidence of an ownership interest in and a proprietary lease from a corporation or partnership formed for the purpose of cooperative ownership of residential interest in real estate remaining thereon at the time of conveyance. In determining the tax on a conveyance described in Subsection A(1) above, a credit shall be allowed for a proportionate part of the amount of any tax paid upon the conveyance to the cooperative housing corporation of the real property comprising the cooperative dwelling or dwellings to the extent that such conveyance effectuated a mere change of identity or form of ownership of such property and not a change in the beneficial ownership of such property. The amount of credit shall be determined by multiplying the amount of tax paid upon the conveyance to the cooperative housing corporation by a percentage representing the extent to which such conveyance effectuated a mere change of identity or form of ownership and not a change in the beneficial ownership of such property, and then multiplying the resulting product by a fraction, the numerator of which shall be the number of shares of stock conveyed in a transaction described in Subsection A(1) and the denominator of which shall be the total number of shares of stock of the cooperative housing corporation (including any stock held by the corporation). In no event, however, shall such credit reduce the tax on a conveyance described in Subsection A(1) below zero, nor shall any such credit be allowed for a tax paid more than 24 months prior to the date on which occurs the first in a series of conveyances of shares of stock in an offering of cooperative housing corporation shares described in Subsection A(1).

B. Every cooperative housing corporation shall be required to file an information return with the County Comptroller by July 15 of each year covering the preceding period of January 1 through June 30 and by January 15 of each year covering the preceding period of July 1 through

December 31. The return shall contain such information regarding the conveyance of shares of stock in the cooperative housing corporation as the Comptroller may deem necessary, including, but not limited to, the names, addresses and employee identification numbers or social security numbers of the grantor and the grantee, the number of shares conveyed, the date of the conveyance and the consideration paid for such conveyance.

§ 162-2-41. through § 162-2-44. (Reserved)

§ 162-2-45. Designation of agent by County Comptroller.

The County Comptroller is authorized by law to designate the recording officer to act as his agent for the purpose of collecting the tax imposed by this article. The Comptroller shall provide for the manner in which such person may be designated as his agent subject to such terms and conditions as he shall prescribe. The real estate transfer tax shall be paid to such agent as provided in § 162-2-15 hereof.

§ 162-2-46. through § 162-2-49. (Reserved)

§ 162-2-50. Liability of recording officer.

A recording officer shall not be liable for any inaccuracy in the amount of tax imposed pursuant to this article that he shall collect so long as he shall compute and collect such tax on the amount of consideration or the value of the interest conveyed as such amounts are provided to him by the person paying the tax.

§ 162-2-51. through § 162-2-54. (Reserved)

§ 162-2-55. Refunds.

Whenever the Comptroller shall determine that any moneys received under the provisions of this article were paid in error, he may cause such money to be refunded pursuant to such rules and regulations as he may prescribe, provided that any application for such refund is filed with the Comptroller within two years from the date the erroneous payment was made.

§ 162-2-56. through § 162-2-59. (Reserved)

§ 162-2-60. Deposit and disposition of revenue.

A. All taxes, penalties and interest imposed by the Town under the authority of this article, which are collected by the Comptroller or his agents, shall be deposited in a single trust fund for the Town and shall be kept in trust and separate and apart from all other moneys in possession of the Comptroller. Moneys in such fund shall be deposited and secured in the manner provided by § 10 of the General Municipal Law. Pending expenditure from such fund, moneys therein may be invested in the manner provided in § 11 of the General Municipal Law. Any interest earned or capital gain realized on the moneys so deposited or invested shall accrue to and become part of such fund.

B. The Comptroller shall retain such amount as he may determine to be necessary for refunds with respect to the tax imposed by the Town under the authority of this article, out of which the Comptroller shall pay any refunds of such taxes to those taxpayers entitled to a refund pursuant to the provisions of this article.

C. The Comptroller, after reserving such funds, shall on or before the 12th day of each month pay to the Town Supervisor the taxes, penalties and interest imposed by the Town under the authority of this article, collected by the Comptroller pursuant to this article during the preceding calendar month. The amount so payable shall be certified to the Town Supervisor by the Comptroller, who shall not be held liable for any inaccuracy in such certification. However, any such certification may be based on such information as may be available to the Comptroller at the time such certification must be made under this section.

D. Where the amount so paid over to the Town in any such distribution is more or less than the amount due to the town, the amount of the overpayment or underpayment shall be certified to the Town Supervisor by the Comptroller, who shall not be held liable for any inaccuracy in such certification. The amount of the underpayment or overpayment shall be so certified to the Town Supervisor as soon after the discovery of the overpayment or underpayment as reasonably possible, and subsequent payments and distributions by the Comptroller to such Town shall be adjusted by subtracting the amount of any such overpayment from or by adding the amount of any such underpayment to such number of subsequent payments and distributions as the Comptroller and Town Supervisor shall consider reasonable in view of the underpayment or overpayment and all other facts and circumstances.

E. All moneys received from the Comptroller by the Town Supervisor shall be deposited in the Community **Housing Opportunity** Fund established pursuant to Article I of this chapter.

§ 162-2-61. through § 162-2-64. (Reserved)

§ 162-2-65. Judicial review.

A. Any final determination of the amount of any tax payable under this article shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever, by a proceeding under Article 78 of the Civil Practice Law and Rules if application therefor is made to the Supreme Court within four months after the giving of the notice of such final determination; provided, however, that any such proceeding under Article 78 of the Civil Practice Law and Rules shall not be instituted unless:

(1) The amount of any tax sought to be reviewed, with such interest and penalties thereon as may be provided for by this chapter, shall be first deposited and there is filed an undertaking, issued by a surety company authorized to transact business in New York State and approved by the State Superintendent of Insurance as to solvency and responsibility, in such amount as a Justice of the Supreme Court shall approve, to the effect that if such proceeding shall be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding; or

(2) At the option of the petitioner, such undertaking may be in a sum sufficient to cover the taxes, interest and penalties stated in such determination, plus the costs and charges which may accrue against him in the prosecution of the proceeding, in which event the petitioner shall not be required to pay such taxes, interest or penalties as a condition precedent to the application.

B. Where any tax imposed hereunder shall have been erroneously, illegally or unconstitutionally assessed or collected, and application for the refund or revision thereof duly made to the Comptroller, and such Comptroller shall have made a determination denying such refund or revision, such determination shall be reviewable by a proceeding under Article 78 of the Civil Practice Law and Rules; provided, however, that:

(1) Such proceeding is instituted within four months after the giving of the notice of such denial.

(2) A final determination of tax due was not previously made.

(3) An undertaking is filed with the Comptroller in such amount and with such sureties as a Justice of the Supreme Court shall approve, to the effect that if such proceeding is dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.

§ 162-2-66. through § 162-2-69. (Reserved)

§ 162-2-70. Apportionment of consideration subject to tax for property located only partly within town.

A. Where real property is situated partly within and partly without the boundaries of the town, the consideration subject to tax is such part of the total consideration as is attributable to the portion of such real property situated within the Town or to the interest in such portion. If the consideration attributable to the property located in the Town is set forth in the contract, such amount may be used to compute the tax due.

B. If the contract does not set forth the amount of consideration attributable to the portion of real property or interest therein situated within the town, the consideration shall be reasonably allocated between the portion of such property or interest therein situated within the Town and the portion of such property or interest therein situated without the town. If the grantor and the grantee enter into a written agreement, signed by both the grantor and the grantee, which sets forth a reasonable allocation of consideration, that allocation of consideration may be used to compute the tax due. If the grantor and the grantee do not enter into such an agreement, or if the allocation of consideration set forth in such agreement is deemed unreasonable by the Comptroller, the allocation of consideration must be computed by multiplying the amount of consideration by a fraction, the numerator of which is the fair market value of the real property or interest therein situated within the Town and the denominator of which is the total fair market value of all the real property or interest therein being conveyed. Except in the case of a transfer or acquisition of a controlling interest where consideration means fair market value of the real property or interest therein, the tax shall be computed on the allocated portion of the actual

consideration paid, even if that amount is greater or less than the fair market value as determined by appraisal.

C. Where the methods provided under this section do not allocate the consideration in a fair and equitable manner, the Comptroller may require the grantor and grantee to allocate the consideration under such method as he prescribes, so long as the prescribed method results in a fair and equitable allocation.

§ 162-2-71. through § 162-2-74. (Reserved)

§ 162-2-75. Determination of tax; petition to Town Supervisor.

A. If a return required by this article is not filed, or if a return when filed is incorrect or insufficient, the amount of tax due shall be determined by the Comptroller from such records or information as may be obtainable, including the assessed valuation of the real property or interest therein and other appropriate factors. Notice of such determination shall be given to the person liable for the payment of the tax. Such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within 90 days after the giving of notice of such determination, shall petition the Town Supervisor for a hearing, or unless the Comptroller, on the Comptroller's own motion, shall redetermine the same. The Town Supervisor may designate, in writing, a hearing officer to hear such an appeal, which hearing officer shall file a written report and recommendation with the Town Supervisor. In any case before the Town Supervisor under this article, the burden of proof shall be on the petitioner. After such hearing, the Town Supervisor shall give notice of the determination to the person against whom the tax is assessed and to the Comptroller. Such determination may be reviewed in accordance with the provisions of § 162-2-65 of this article. A proceeding for judicial review shall not be instituted unless:

(1) The amount of any tax sought to be reviewed, with penalties and interest thereon, if any, shall be first deposited with the Comptroller and there shall be filed with the Comptroller an undertaking, issued by a surety company authorized to transact business in New York State and approved by the State Superintendent of Insurance as to solvency and responsibility, in such amount and with such sureties as a Justice of the Supreme Court shall approve, to the effect that if such proceeding shall be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of the proceeding; or

(2) At the option of the petitioner, such undertaking filed with the Comptroller may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such decision, plus the costs and charges which may accrue against him in the prosecution of the proceeding; in which event, the petitioner shall not be required to deposit such taxes, penalties and interest as a condition precedent to the commencement of the proceeding.

B. A person liable for the tax imposed by this article (whether or not a determination assessing a tax pursuant to Subsection A hereof has been made) shall be entitled to have the tax due finally and irrevocably fixed prior to the ninety-day period referred to in Subsection A by filing with the Comptroller a signed statement consenting thereto, in writing and in such form as the Comptroller shall prescribe.

C. The remedies provided by this section and § 162-2-65 of this article shall be the exclusive remedies available to any person for the review of tax liability imposed by this article.

§ 162-2-86. through § 162-2-89. (Reserved)

§ 162-2-90. Proceedings to recover tax due.

A. Whenever any person shall fail to pay any tax, penalty or interest imposed by this article, the Town Attorney shall, upon the request of the Comptroller, bring or cause to be brought an action to enforce the payment of the same on behalf of the town, in any court of the State of New York or of any other state or of the United States.

B. As an additional and alternative remedy, the Comptroller may issue a warrant, directed to the Sheriff of Suffolk County, commanding him to levy upon and sell any real and personal property of a grantor or grantee liable for the tax which may be found within the county, for payment of the amount thereof, with any penalty and interest and the cost of executing the warrant, and to return such warrant to the Comptroller and to pay the Comptroller the money collected by virtue thereof within 60 days after the receipt of the warrant. The Sheriff shall, within five days after the receipt of the warrant, file with the Clerk a copy thereof, and thereupon such Clerk shall enter in the judgment docket the name of the person mentioned in the warrant and the amount of the tax, penalty and interest for which the warrant is issued. Such lien shall not apply to personal property unless such warrant is filed with the Department of State. The Sheriff shall then proceed upon the warrant in the same manner and with like effect as that provided by law in respect to executions issued against property upon judgments of a court of record, and for services in executing the warrant he shall be entitled to the same fees, which he may collect in the same manner. In the discretion of the Comptroller, a warrant of like terms, force and effect may be issued and directed to any officer or employee of the county; and in the execution thereof, such officer or employee shall have all the powers conferred by law upon sheriffs but shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. Upon such filing of a copy of a warrant, the Comptroller shall have the same remedies to enforce the amount due thereunder as if the County of Suffolk had recovered the judgment therefor.

§ 162-2-81. through § 162-2-84. (Reserved)

§ 162-2-85. Interest and civil penalties.

A. Any grantor or grantee failing to file a return or to pay any tax within the time required by this article shall be subject to a penalty of 10% of the amount of the tax due plus an interest penalty of 2% of such amount, for each month of delay or fraction thereof after the expiration of the first month after such return was required to be filed or such tax became due; such interest penalty shall not exceed 25% in the aggregate. If the Comptroller determines that such failure or delay was due to reasonable cause and not due to willful neglect, the Comptroller shall remit, abate or waive all of such penalty and interest penalty.

B. If any amount of tax is not paid on or before the last date prescribed in § 162-2-15 hereof for payment, interest on such amount at the rate of 10% per month shall be paid for the period from such last date to the date paid.

C. The penalties and interest provided for in this section shall be paid to the Comptroller and shall be determined, assessed, collected and distributed in the same manner as the tax imposed by this article, and any reference to tax in this article shall be deemed to include the penalties and interest imposed in this section.

§ 162-2-86. through § 162-2-89. (Reserved)

§ 162-2-100. Confidentiality of transfer tax returns.

A. Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for any officer or employee of the town, or any person engaged or retained on an independent contract basis, to divulge or make known in any manner the particulars set forth or disclosed in any return required under this article. However, nothing in this section shall prohibit the recording officer from making a notation on an instrument effecting a conveyance indicating the amount of tax paid. No recorded instrument effecting a conveyance shall be considered a return for the purposes of this section.

C. Nothing herein shall be construed to prohibit the delivery to a grantor or grantee of an instrument effecting a conveyance, or to the duly authorized representative of such grantor or grantee, of a certified copy of any return filed in connection with such instrument or to prohibit the publication of statistics so classified as to prevent the identification of particular returns or the items thereof or to prohibit the inspection by the legal representatives of the Town of the return of any taxpayer who shall bring action to set aside or review the tax based thereon.

D. Any officer or employee of the Town who willfully violates the provisions of this section shall be dismissed from office and be incapable of holding any public office in the state for a period of five years thereafter.
