

S.T.O.P. DAY

Saturday, June 25, 2022

9:00 AM — 2:00 PM

East Hampton Recycling Center

260 Springs Fireplace Road

STOP THROWING OUT POLLUTANTS

The S.T.O.P. program is designed to provide East Hampton Town residents with a safe, environmentally sound method of disposing of hazardous materials that are found in the average home. By bringing toxins such as antifreeze, drain cleaners and pesticides to the **East Hampton Recycling Center on June 25th between the hours of 9 am and 2 pm**, you can make a significant contribution to the protection of our precious groundwater supply and the preservation of our bays and estuaries. Please rid your homes of hazardous materials and ensure proper collection and disposal. Together we can protect the integrity of our fragile ecosystem.

SPONSORED BY THE EAST HAMPTON TOWN ENERGY & SUSTAINABILITY COMMITTEE

When bringing items for disposal, please follow these simple guidelines:

- ⇒ Wrap leaking containers in newspaper and place in a plastic bag or larger container.
- ⇒ Make sure all caps and lids are tight.
- ⇒ Place items securely in a box for transportation.
- ⇒ Use newspaper or cardboard to keep items from tipping or hitting each other.
- ⇒ Place chemicals that may react with each other in separate areas of the vehicle.
- ⇒ Do not leave products in a hot, unventilated vehicle for an extended period of time.
- ⇒ Do not smoke near chemical products.
- ⇒ Wear rubber gloves when handling containers.

Acceptable Items for the S.T.O.P. Day program

- Aerosol Cans
