Mooring Permit Instructions

1. All applications must be filled out in its entirety and signed by the applicant. The applicant is also responsible for attaching the specified fee, valid boat registration, valid driver's license, proof of residency, proof of insurance and marking the location of the proposed mooring on the provided map. Any application deemed incomplete will not be accepted or if received by mail will be returned.
2. The permitte must provide the Town of East Hampton proof of watercraft liability insurance in an amount not less than \$250,000. This insurance must be maintained for the duration of Mooring, April 1st through December 1st.
3. Upon approval, the applicant will be provided with two mooring stickers. One sticker must be adhered to the mooring buoy and the second sticker must be adhered to the vessel. Please post the mooring permit stickers conspicuously so they are visible and easily identifiable to the Harbor Masters. Any buoy or vessel lacking a sticker will be deemed illegal and subject to additional penalties under §246-3.
4. Mooring permits are not transferable. Permits are issued for the exclusive use of the permit holder for the specific mooring location and the specific vessel listed on the permit. Such permit shall not be valid for any other location, person or vessel.
5. All moorings must be removed by December 1st of each year. All remaining moorings will be deemed illegal and removed. In the event of such removal and impoundment, the mooring owner shall be responsible, in addition to any penalties set forth herein, for payment of all expenses for such removal, storage and reinstallation.
6. Any violation of East Hampton Town regulations may be grounds for the revocation of the mooring permit. Copies of the full mooring regulations are attached to the mooring application, available at the Town Clerk's office or they can be accessed via the internet at the following link: <https://ecode360.com/9366721>.

Chapter 246. Waterways and Boats

Article II. Waterways and Boats

§ 246-3. Placement of boats, floats, moorings and anchorings.

A. Supervision and control.

- (1) Town waters. The placement of boats and floats, and the location of moorings and anchoring areas in Town waters, other than Trustee waters and beaches, are subject to the supervision and control by the Town Harbormaster, Bay Constable and/or Town Police Department.
- (2) Trustee waters and beaches. The placement of boats and floats, and the location of moorings and anchoring areas in Trustee waters and beaches are subject to the supervision and control by the Trustees of the Freeholders and Commonalty of the Town of East Hampton and/or their designated agent. All boats shall be placed, anchored or moored in or on such Trustee waters and beaches in compliance with such regulations as the Trustees shall duly adopt. The Town Harbormaster, Bay Constable and/or Town Police Department are authorized by the Town Board and Town Trustees to enforce Trustee regulations as they are set forth herein or as may be otherwise posted.

B. General prohibitions.

- (1) No person shall place a mooring or float in Trustee or Town waters without a permit for the placement of same from the appropriate authority.
- (2) No person shall attach a vessel or float to a mooring in Trustee or Town waters without a permit from the appropriate authority, which permit shall be affixed to the vessel or float and which shall identify both the vessel or float and the mooring to which it is attached.
- (3) Mooring permits are not transferable. Permits are issued for exclusive use of the permit holder for specific mooring location and the specific vessel listed on the permit. Such permit shall not be valid for any other location, person or vessel.
- (4) No person shall moor or anchor any vessel or float in such a way that it at any time rests within the line of any channel.
- (5) No person shall moor or anchor any vessel or float within 50 feet of any channel marker or other navigational aid.
- (6) No person shall moor or anchor a vessel or float so as to endanger the safety of, or cause damage to, any vessel previously moored or anchored.
- (7) No person shall moor or anchor a vessel or float utilizing equipment inadequate to maintain the vessel or float as secure at all times and under all conditions.

- C. Assumption of risk. The owners and users of vessels and floats moored, anchored or operated in Town or Trustee waters do so at their own risk. The Town or the Town Trustees, and their agents and/or employees, shall not be responsible for loss, theft, destruction, or damage (regardless of the cause thereof) to any vessel or float, mooring, or attachment, including equipment, fixtures and contents of any boat, for which a permit is issued or which is otherwise located in Town or Trustee waters, regardless of whether such vessel

or float is tied to, launched, moored or attached to any installation provided by or approved by the Town or the Town Trustees.

- D. Application procedure for float permit. A written application to place a float shall be submitted to either the Town Clerk, for placement in Town waters, or the Town Trustees, for placement in Trustee waters, upon the form provided for such purpose, and upon payment of the appropriate fee, if any.
- E. Application procedure for mooring permit. A written application to place a float shall be submitted to either the Town Clerk, for placement in Town waters, or the Town Trustees, for placement in Trustee waters, upon the form provided for such purpose, and upon payment of the appropriate fee, if any. No mooring permit shall be issued for a boat unless:
- (1) The vessel is documented, or registered and numbered, and bears a current validation sticker in accordance with the provisions of Article 48 of the New York State Vehicle and Traffic Law (Registration of Vessels), or is otherwise exempt from such requirements; and
 - (2) Proof of such insurance as may be required by the permit issuing authority has been submitted.
- F. Mooring regulations.
- (1) Permits shall be effective as of April 1 of the year in which issued and shall terminate on the 1st day of December, unless sooner terminated or revoked.
 - (2) Moorings and mooring buoys shall be installed in their designated location prior to Memorial Day each year. In the event that a mooring is not installed by such date, the mooring permit issued therefor shall automatically terminate and the permit issuing authority may reassign the mooring space to the next eligible applicant.
 - (3) Mooring permits shall be affixed to the mooring at the time of installation.
 - (4) The material construction of the moorings within Town or Trustee waters shall be approved by the permit issuing authority. Iron and wooden posts, engine blocks, cement blocks, or similar materials are prohibited for use as moorings in Town or Trustee waters. Wooden posts may be used, however, as a part of a rigged line and pulley mooring. All moorings, whether public or privately owned, shall meet the minimum required standards of the Town and/or the Town Trustees, as may be amended from time to time.
 - (5) No person shall occupy a vessel overnight in any Town waters outside of a designated mooring or anchorage area without permission from the Town Harbormaster or Bay Constable.
 - (6) No person shall moor or anchor a vessel or float so as to be anchored unoccupied for a period in excess of 12 hours without the permission of the Town Harbormaster or Bay Constable.
 - (7) Notwithstanding the provisions of Paragraph (8), supra, the Town Harbormaster or Bay Constable shall have the authority to order any vessel to relocate or leave the area if he should determine, in his discretion, that the same is necessary for the safe and orderly use of Town or Trustee waters.
 - (8) No person shall moor or anchor a vessel or float in violation of any lawful order or directive issued by the Town Trustees, Town Police, Town Harbormaster or Bay Constable.
 - (9) All permits shall be subject to revocation for a violation of any regulations set forth in this chapter, for a violation of a condition set forth in a permit, or for misrepresentations or misstatements made in an application for a permit.
 - (10) Any mooring placed in violation of this section shall, in addition to any penalties set forth herein, be subject to removal and impoundment by the Town Harbormaster or Bay Constable. In the event of such removal and impoundment, the mooring owner shall be responsible, in addition to any penalties set forth herein, for payment of all expenses for such removal, storage and reinstallation.

Chapter 246. Waterways and Boats

Article II. Waterways and Boats

§ 246-4. Removal of disabled boats and beached vessels.

- A. Disabled vessels: Any vessel which becomes a menace to navigation or unseaworthy, or sinks, grounds or otherwise becomes disabled, shall be removed by the owner or person in charge thereof on order of the Town Harbormaster, Bay Constable or the Town Police. Any vessel which is found in violation of this section shall be subject to impoundment, and the owner thereof shall be subject to penalties for the violation of this section as well as all costs associated with the vessel removal and storage. Such charges shall constitute a lien upon the vessel.
- B. Beached vessels: No vessel shall be left upon any Town or Trustee beach after November 1 of any year. Any vessel which is found in violation of this provision shall be subject to impoundment, and the owner thereof shall be subject to penalties for the violation of this section as well as all costs associated with the vessel removal and storage. Such charges shall constitute a lien upon the vessel.
