### **No Friday service in the summer, beginning May 24, 2019**

This shuttle service is being provided by the Town of East Hampton, through the Hampton Hopper, with support from New York State. Shuttles operate Monday-Friday year round, except for legal holidays and times when LIRR South Fork Commuter Connection trains are not running, which will include Fridays during the summer.

Routes are subject to minor changes with notice of a week to 10 days. Schedule changes will be posted on the Hampton Hopper app and website and at EHamptonNY.gov. Communicate with the Hampton Hopper: Riders may call or send text messages to 631-259-7076. Text messages are recommended. This is not done in the app, but by using any cell phone that is capable of sending and receiving text messages. A dispatcher will reply to these messages.

Riders will only be allowed to board the shuttle bus with a valid voucher obtained with the purchase of a LIRR ticket specifically for the South Fork Commuter Connection. To purchase a ticket from the LIRR ticket vending machine. Select **“Deals & Getaways”** on the main screen, then **“Long Island Getaways”** followed by selecting **“South Fork Commuter Connection.”** You will be asked to choose your departing station only. Since **SFCC** package tickets are valid for travel as far as Montauk, the TVM’s will default to Montauk as the destination. Tickets must be purchased at Speonk, Westhampton, Hampton Bays or Southampton Village stations. Not available at East Hampton stations.

Shuttle drop offs may occur at any safe location along the route. Return riders will only be taken to the LIRR station. Riders can flag or wave the bus down to board the bus at any safe location along the route or notify the Hampton Hopper of a requested pickup at least one hour in advance.
