350, 375 & 349 Gerard Drive
Area 9.22 Acres
Town of East Hampton, New York**

The East Hampton Town Code categorizes a Nature Preserve as any area of land or water owned by the Town which is formally dedicated to being maintained as nearly as possible in its natural condition. These lands are chosen for preservation based on the unique and valuable ecological assets situated within their boundaries. They are protected not only as a means to preserve the land in its natural state, but to create a multi-use recreational resource to be enjoyed by all.
